CentralTech.Edu CentralTechBis.com tdt-ok.com

BIS & ACD program data based on 2015-2016 school year. District Full-time & TDT data based on 2014-2015 school year. The \$20 million refers to the 601 Full-time students who joined the workforce. Average entry level salary for all working graduates including non-related employment is \$33,923. It does not take into account those continuing their education. The 29% more statistic is based on Workforce Avg. Entry Level Wage of \$12.17 per OESC/OWN for Tulsa area versus CT avg. wage for graduates in job related career. Advisory results from FY16. Central Technology Center, in compliance with Title VI of the Civil Rights Act of 1964, Title VII and Title IX of the Education Amendments of 1974, Section 504 of the Rehabilitation Act and the American with Disabilities Act (ADA), does not discriminate on the basis of race, color, religious creed, national origin, age, sex/gender, disability or veteran status in any of its policies, practices or procedures. These equal opportunity provisions include, but are not limited to, admissions, employment, financial aid and educational services. Central Tech offers career and technical training under the national career cluster framework. Admission is open to interested students. Questions, complaints, or requests for additional information regarding these laws may be forwarded to Patti Pouncil, Assistant Superintendent, the designated compliance coordinator, at 918-352-2551, Monday through Friday between 8:00 am and 4:00 pm. For gainful employment information about our graduation rates, the median debt of students who completed the program, and other important information, please visit www.CentralTech.Edu.
